Mary E. Wilkins-Freeman is said to be a most careful and conscientious known to medical science for Coughliterary worker. She thinks out the and Colds, and will pay back your climax of her story before she begins money if not satisfactory. writing and then writes without copying and with very little correction.

John Morley's notes of his speeches are always interesting owing to his power of condensation. He has devised some condensations that would not pass muster with the printer. One of these consists of a dot in the middle of a cupital "O." This represents "in the middle of the world."

Herman Charles Merivale, who has just been mid in his grave in England, was known to most people as the author and adapter of various successful plays, including "Forgetmenot" and "Fedora." As a poet this scion of a familis of authors is not often remembered, though he wrote some verses that de er o to live.

PURE FOOD.

that impure food actually prolongs life. for which exercise of moderation we should be duly thankful,-Chicago Record-Hernld.

Congress could by a very simple act make the food laws of each state a federal regulation for that state. Any further legislation would be confusing -Washington Post.

It is only a question of time when every community in the United States must have its food inspectors and detectives in order to protect themselves from adulterated and contaminated fault products.- Knoxville Sentinel to a great many states stringent pure food laws have been enacted, but they do not remedy the evil, for manufactared compounds are not sold in the state where they are made, and adulterated foods, imitation liquors and decertive drug | pass from state to state without regulation A federal pure food law securing uniformity is the only remedy .- Watertown Times.

Splders' Webs. The first ropemakers were the sptders, which spin a thread so fine that, although it is composed of fifty or sixty strands. It is a dozen titues smaller than the fluest thread spun by the bands of men.

ABOUT THE STATE.

The Arctic explorers, Anthony Fiola, commander of the Zeigler expedition, Mr. Jewell and Dr. Champ are guests of Russell Porter, the scientist at his country home in Springfield, this state.

Randolph is getting lots of chances cents, Tea or Tablets. D. F. condensed with content village. A large condensed milk concern is looking favor-ably at Randolph as a place to locate.

A horse and man working for C. W. James of Swanton, harvesting ice had a narrow escape from drawning Saturday. They broke into the Mississquoi river and in order to get them out a large section of ice which they had gone under had to be sawed out. Both were rescued with dishculty.

The Tuttle Company, one of the large on Edson street and also the house of C. rous.-Washington Star. H. Allen, adjoining. The company intend putting a printing plant in the Kinsman block and will begin business at the earliest possible date.

risit of the Queen Downger Margherita at a game played in Fair Haven. The of Italy, on an automobile trip to this score stood at the end of the game 43 conditions announced some time age, and to 17. The Bellows Fails team had laid conditined by recent cable necessages, may claim to the championship of Vermont cable necessages, may claim to the championship of Vermont and had started out on what they supposed would be a triumphant tour of the Anarchiel location, a field recently in this state. Their defeat by so overwhelming and neighboring cities.

It was learned Monday night from a will sort of put a damper on their arcircles in this country and in Europe with a challenge to play any team in

Warning to Whistlers.

"The man who is fond of whistling on the public streets has no business living in a city," remarked a citizen to sevthink Judge Kimbali was right when he held a man for disorderly conduct bewhistling on the street at night.

"I was walking along F street one bright afternoon and noticed on the oposite side of the street a well-dress lady and gentleman, the former walking some distance ahead of the latter. The of the secret service of Italy will be man showed his indignation at the sent here to assist the delectives in the whistling of another man, such showed service of the italian consumts of New clearly blist he wanted to protect the woman, He was more interested in the The Queen Dowager will come to New affair than the woman was, thowever, for he kept turning and looking for the man. When he was thus engaged the \$12 delivered. weman stopped to the her shoestrings, and while she was in a stooping position the man walked against her

and down she went, sei "Do you think the woman appreciated The Yellow Fever Germ the interest he took in her. Indeed, she has recently been discovered. It bears did not. She thrued upon him, and not close resemblance to the malaria germ. only told him what she thought of his o free the system from disease germs rudeness, but called for a policeman to oriest him. There was a detective near New Life Pills. Guaranteed to cure all there at the time, but he did not respond
